

Dear Neighbor,

Welcome to Westport! Enclosed in this packet is a collection of information about your new community. We tried to gather everything we thought someone new to the area would want to know (based on our own experience moving here almost three years ago). Inside you will find information about:

- The Westport Village Society including their monthly newsletter, *The Westport Wave*, their Mission and Goals, a Membership Form, and a mini-grant application
- The Westport Volunteer Fire Department including a form to update your information with them, this year's letter to the community, and information on the department's insurance ratings and recent successful efforts to improve them
- The Westport Community Recreation Center including where to find the current schedule and a coupon to try a class for free
- The Westport Community Church
- Meeting times and contact information for local governing boards
- Local Westport Businesses
- Where to find out what's happening in Westport this month
- Westport Markets including the yearly Yard Sale, Fleamarkets, Winter Market and Craft Fair, and Spring Market.

Not everything we wanted to share needed its own page. Keep an eye out (in *The Westport Wave* or posted at the store) for information on yearly events including:

- The Annual Easter Egg Hunt on the Westport Headlands
- The Westport Village Society's annual Ducky Race on Mother's Day
- The WVFD annual fundraiser BBQ "A Day on the Westport Headlands" in August
- Trick or Treating through the Village and Halloween Potluck at the Church
- Christmas events including Kids' Ornament Making and Holiday Party at the Westport Community Recreation Center, Town Tree Lighting, and Sing A-Long at the Westport Hotel

I also want to point any local parents to the Westport Parents' Facebook page:

<https://www.facebook.com/westportcaparents>.

I recently created the page and hope to use it to foster communication among local parents and publicize any local events for kids including our monthly Kids' Movie Night at the Westport Community Recreation Center. If you don't have a Facebook account, you can send me your information and I will let you know when there are events for kids coming up in the community (Sarah Mathias, 962-0181 or sarah@huntersplayground.com).

Feedback is always welcome. Please let me know if you think of anything to add to this collection of information. I hope you find it helpful.

Sincerely,

Sarah Mathias
Hunter's Playground

WESTPORT VILLAGE SOCIETY

P.O. Box 446, Westport, CA 95488

Mission Statement

The Westport Village Society, Inc. is a nonprofit public benefit 501 (c)(3) corporation organized in 1992 to foster the preservation, enhancement, and interpretation of the natural environment in and around the village of Westport for the benefit of residents and visitors and to support local charitable and educational projects. The Society currently owns and manages a nine acre oceanfront property, Westport Headlands, in the center of the community.

Goals and Purposes

- (1) To sponsor, organize, and fund civic improvement projects, which are charitable and educational in nature for the broad cultural, educational, and civic betterment of the village of Westport and its surrounding areas.
- (2) To acquire, hold and manage land and interests in land, including "qualified conservation contributions" and open space easements in and around the village of Westport, California as a "qualified organization" under Internal Revenue Code 170(b), including (but not limited to) contributions and acquisitions intended to:
 - (a) preserve land areas for outdoor recreation and education of the general public;
 - (b) protect relatively natural habitat of fish, wildlife, plants, or similar ecosystems;
 - (c) preserve open spaces (including farmland and forest land) where such preservation is for the scenic enjoyment of the general public or pursuant to clearly delineated Federal, State, or local governmental conservation policy, and will yield a significant public benefit; or,
 - (d) preserve historically important land areas or certified historic structures.
- (3) To encourage sound public and private conservation practices with respect to land and water resources in and around the village of Westport, California.
- (4) To make, perform and carry out contracts of every kind, and to do all acts which are reasonably necessary or required to implement the above purposes.

Organization and Meetings

Anyone can join the WVS, but only people who reside or own property in the membership area shown on the attached map have voting privileges. The Society is run by seven Directors elected by the membership to serve alternating three year terms at the Annual Member Meeting held the first Friday in October starting at 6:30 PM at the Westport Community Church. Notice of the annual Meeting is mailed to all active members and published in advance on the Society's web page: <http://www.westportvillagesociety.org/>. Directors are elected for alternating three year terms. The Board selects officers annually at the October Board meeting that consist of a President, Vice President, Secretary, and Treasurer. Board meetings are open to the public and agendas are noticed in advance. The board meetings are held quarterly the third Saturday of October, January, April, and July at 9:00 AM at the Westport Community Church unless otherwise noticed.

Current Directors and Officers

Thad Van Bueren	President	Term expires: Oct. 2017
Steve Brigham	Vice President	Term expires: Oct. 2017
Bill Knapp	Treasurer	Term expires: Oct. 2016
Gary Quinton	Director	Term expires: Oct. 2018
Dorine Real	Director	Term expires: Oct. 2017
Sarah Mathias	Director	Term expires: Oct. 2018
Lois Senger	Director	Term expires: Oct. 2016
Lee Tepper	Secretary	Appointed (non-voting)

WESTPORT VILLAGE SOCIETY

supporting local charitable and educational projects &
fostering the preservation, enhancement, and interpretation of the natural environment

About WVS

The Westport Village Society, Inc. is a nonprofit 501 (c)(3) corporation that was organized in 1992 to foster the preservation, enhancement, and interpretation of the natural environment in and around the village of Westport for the benefit of residents and visitors and to support local charitable and educational projects. The Society currently owns and manages a nine acre oceanfront property in the center of the community. Anyone can become a member, but voting privileges are restricted to those who reside or own property in the "sphere of influence" shown on the attached map. Members are encouraged to participate in our Annual Member Meeting (first Friday in October, 7:00 PM @ the Church), events, and Board meetings (3rd Saturdays of Jan/April/July/Oct at 9:00 AM @ Church). You must renew your membership in the month preceding the annual meeting in order to vote.

Membership Form

(Note: The WVS does not share its membership list with anyone.)

Name(s): _____

Address (mailing): _____

I/we live or own property: Between Ten Mile River and Rockport Not Local

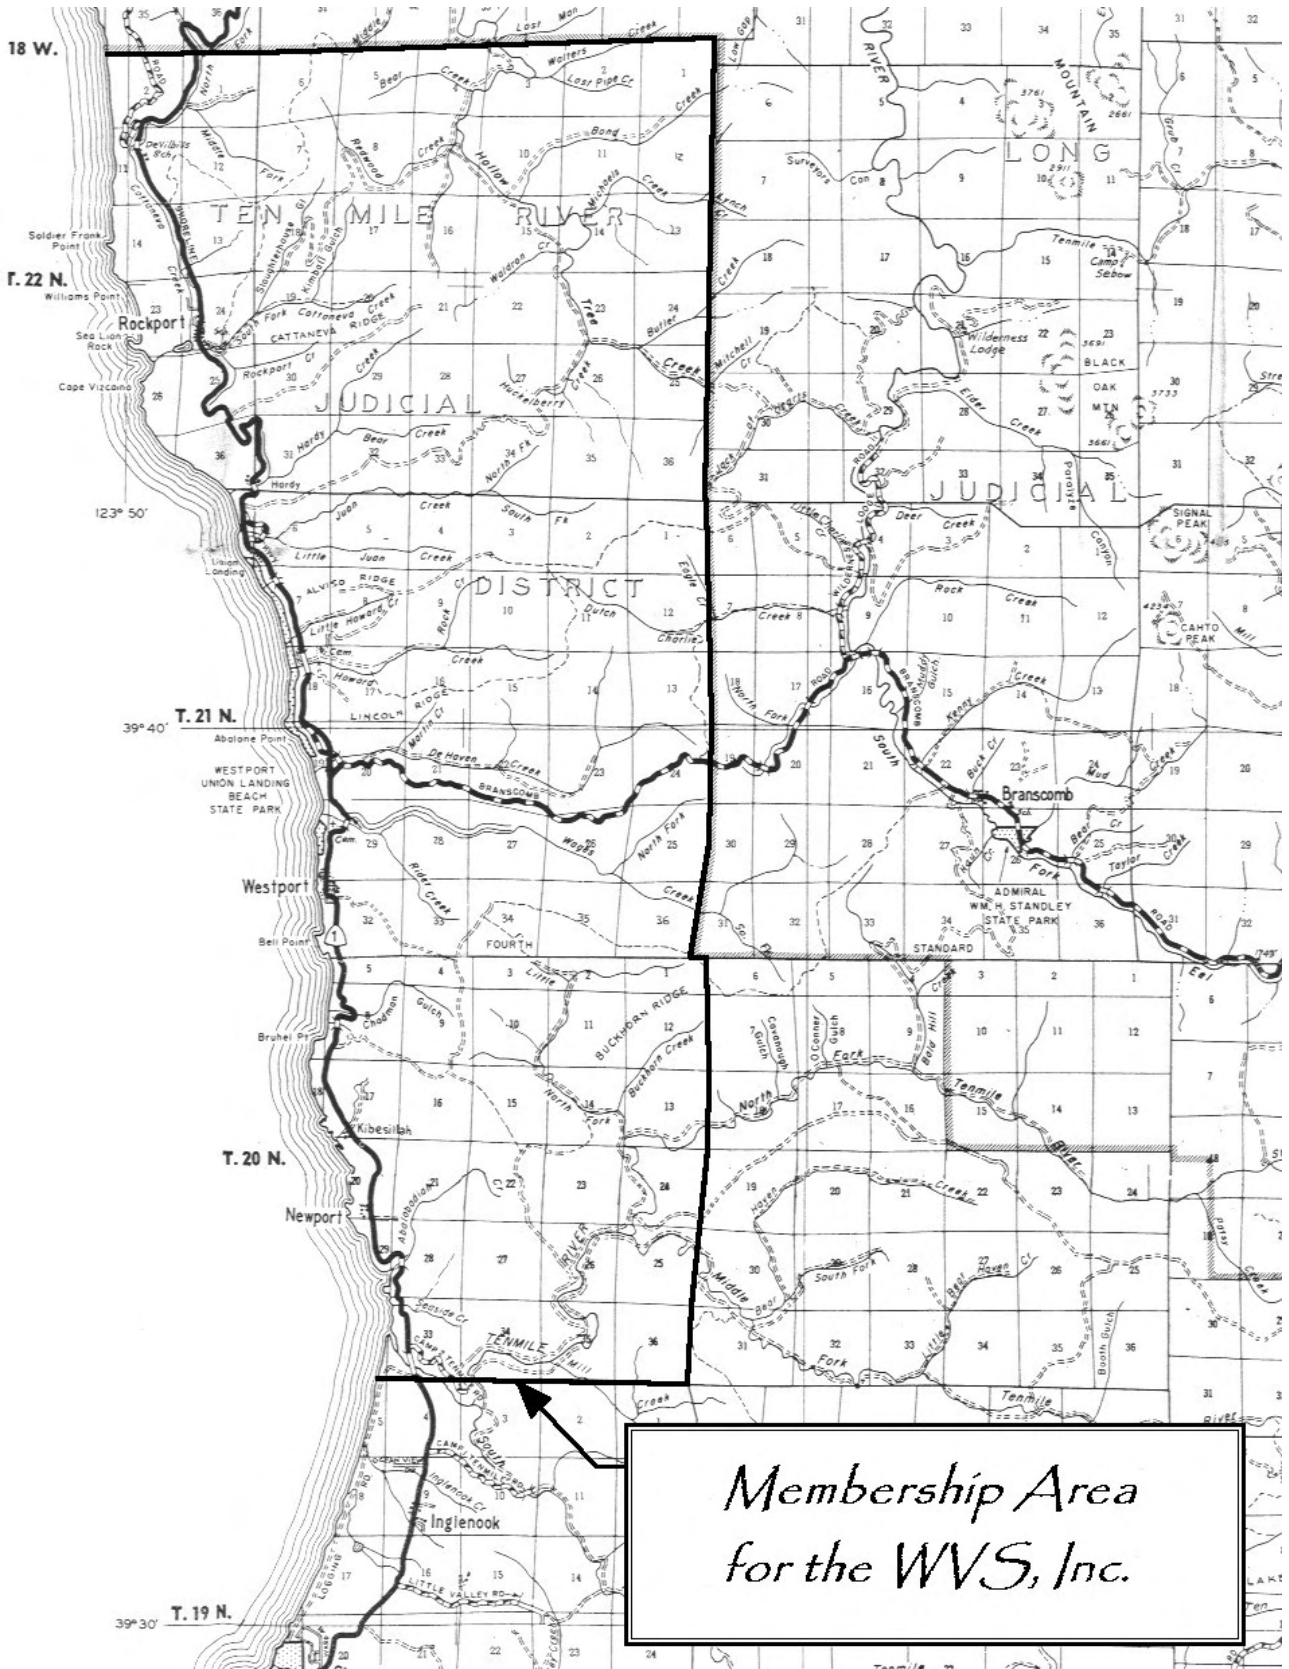

Telephone (optional): _____ Email: _____

Monthly newsletters are sent by email or can be picked up at the Westport Community Store.

# of members _____	x \$10.00 per member	= _____
Family membership @ \$25.00		= _____
Additional donations:	a) Headlands Fund	= _____
	b) Community Center Project	= _____
	c) General Fund	= _____
Total Amount Enclosed		= _____

Donations are tax deductible. We acknowledge receipt of any donation over \$50.00 or will send an acknowledgement for smaller donations by request. The WVS also would be very pleased to accept charitable bequests. Please contact us to discuss arrangements for a bequest and learn something about the tax benefits by emailing us at wvs@westportvillagesociety.org.

WE APPRECIATE YOUR GENEROSITY!!

WESTPORT VILLAGE SOCIETY

MINI GRANT APPLICATION FOR WESTPORT

Name of project: _____

Your full name: _____

Address: _____

Please check appropriate box(es): resident []; property owner []; WVS member []

Name(s) of people involved in project: _____

Have you applied for or been awarded a previous "Mini Grant" from WVS?

Yes _____ No _____ If so when? _____

This "Mini Grant" will range in increments of \$50, from \$50 to \$250 and should be **beneficial to the Westport community**, i.e. paint/repair jobs, adverts for community oriented events (such as classes or farmer's market), dumpster for clean-up, play dates at the school, planting flowers/trees, or painting fire hydrants.

Please explain concisely your planned use of this grant, start date, length of time for completing your project, and specific costs:

(continue on back)

Mail to WVS, PO Box 446, Westport, CA 95488, Attention Mini Grant Committee.

Submitted by _____ Date _____

The Westport Wave

The Westport Wave is the newsletter of the Westport Village Society. It comes out on the first of each month and contains information about local events and happenings. If you are a village society member (information and a membership form are in this packet) you can receive *The Westport Wave* via e-mail or mail. Copies are also available to the general public at the Westport Community Store.

What's Happening in Westport this Month

This is a listing of all the happenings in Westport for the Month. You can find it posted on the information board on the side of the store and on the Calendar at: <http://www.westportvillagesociety.org/>

The Westport Community Store

The store is located at Highway 1 and Abalone Street. In addition to having gas and groceries, it is also a deli and our Post Office. The store's hours vary with the seasons (Winter 8 am to 7 pm, Spring/Fall 8 am to 8 pm, and Summer 7 am to 9 pm). Behind the store is a small building that has an outgoing mail slot and houses PO Boxes as well as a small community lending library. The store is the place to find local information. Events may be posted on the front window as well as on the information board around the side. Local births and deaths are also posted at the store. You may find local business cards on the walls near the entryway inside the store. Fliers and copies of *The Wave* are kept at the counter.

The Westport Community Recreation Center

The Westport Community Recreation Center (located on Abalone St. next to the Church) hosts regular fitness classes as well as special classes and events for children in coordination with MCRPD (Mendocino County Recreation and Park District). You can find the schedule at the bottom of the *What's Happening in Westport* publication mentioned above. Most classes are paid for on a "drop-in" basis. 90 minute classes are \$12 per class or \$10 with a prepay class pass (prepay for six or more classes). 60 minute classes are \$8 each or \$6 with a prepay class pass. The building is also available for rent and can be used to host classes and workshops. We are always looking for new classes and community members who would like to teach.

For more information contact Tabby at 367-0010.

Use the coupon below to try out a 60 or 90-minute drop in class at the Westport Community Recreation Center

<p><i>Westport Community Recreation Center</i></p> <p><i>Class Coupon</i></p> <p><i>Redeemable for a single 60 or 90-minute drop-in class</i></p>

WVFD Run Book Form

The Run Book is a book of maps of the WVFD (Westport Volunteer Fire Department) coverage area. A copy is kept in each rescue vehicle and by each member of the department. It is important that the Run Book be kept current so that responders can get to you as quickly as possible in the event of an emergency and so that they know the whereabouts of inhabited buildings in the event of a fire. Following this page is a form for updating

Run Book information. It is a form we usually use in person so there are portions for which it may not be possible to provide information (since we cannot go over the Run Book page your property is on with you, you may not be able to specify some changes). However, if you would take the time to update contact information and let us know about any safety, health, or accessibility issues that relate to you or your property or of any changes to your property (new buildings, gates, etc.) it would be much appreciated. Please mail the form to the address at the bottom of the form and keep the bottom portion for your reference. Thank you!

WVFD Run Book and Contact Information Update

PO Box 63
Westport, California 95488

July 23, 2015

It is time for WVFD's annual Parcel Donation Drive. We ask all parcel owners to please consider a \$100 donation per parcel. Also, if you have multiple residences or significant outbuildings on your parcel, please consider an additional amount.

Why are we asking for your monetary support? WVFD is a Fire Company, not a District. There are no property tax assessments for fire service in our response area, milepost 72 north to Usal Road and 6 miles inland on Branscomb Rd. WVFD is the initial 911 response, 24/7, year round. That includes calls for structure and wildland fires, trauma causing accidents including vehicle incidents, rescues and medical emergencies.

What has WVFD done with resources donated and provided by the community over the past 10 years? We currently have 13 active members, 5 of whom have joined or returned within the last 18 months. 4 of our members have completed the County Fire Academy. 5 of our members have current EMT rating. All but the most recent member, this July, have certified as Emergency Medical Responders. This is in addition to the ongoing in-house monthly training that reviews procedures and refreshes skills used in emergency responses.

WVFD has maintained and equipped its 3 responding engines sufficiently to improve our ISO rating by 2 points on a scale of 10, 1 being the highest rating. Our response area now has a 5/5X ISO rating, ranking us in the top 35% nationwide of all fire departments, volunteer and paid. The WVFD Board has instituted written policies covering spending and related to readiness of both personnel and equipment. WVFD is continuing to review its risk assessment profile for our response area. We have known for some time that we needed both additional pump capacity and water hauling capacity. Over the last 5 years we have accumulated a vehicle reserve fund for acquisition, major repairs and replacement. We will be utilizing some of those funds to add to our vehicle fleet this year.

Chief Frank Maurice, through networking with other Mendocino County Chiefs, found two vehicles that fit our budget and needs. We just purchased a Type 1 Engine; crew of 4, 750 gallon tank, 1,500 gpm pump. We are expecting to obtain, near the 1st of August, a 2,000 gallon tender. Both are older, used, and yet very serviceable pieces of equipment, taken out of service by other departments, that fit our response profile very well. However, they both need equipment and some servicing prior to being put into active service.

Vehicles, equipment and apparatus for vehicles, maintenance for vehicles and the fire station, recruiting and retaining firefighters, firefighter training, firefighter equipment (known as Personal Protective Equipment or PPE), what do they all have in common? They are all line items in our budget. We have a very aggressive budget this year. There are two main reasons behind being willing to adopt an aggressive budget: 1.) **Need**, we are bringing in new equipment and training per our mission to improve service to the community (expense side) and 2.) **Optimism**, last year was a very successful fundraising year (income side). If we can match last years fundraising we will be in a position to deliver better service, more protection, and possibly get an additional point or two reduction in our local ISO rating.

This years major expenses will be primarily related to repairing and equipping the two "new" vehicles, bringing them into service as quickly as possible, and active member readiness including personal equipment and training. The bi-annual recertification for Emergency Medical Responders is due this year. We will also need to replace or repair some of our older radios and pagers, which are about 10 years old. New radio frequencies and standards are going into effect this year, not all of our existing equipment supports the changes.

We have applied for a \$9,000 matching grant to offset some of the listed expenses. We will know in August if we received the grant and if it will be for the full amount. What ever the grant amount, WVFD will have to match dollar for dollar to receive the funds.

Please think about what you can do to help your local Fire Department. This letter is primarily about parcel donations, but we can use other kinds of help as well. The biggest contribution an individual can make is to volunteer as a responder or to serve as a Board Member. We have unlimited openings for responders and one open Board position for a community member who is not a responding firefighter. We always need help with fund raising events and grant writing efforts. Another area community members can help with is building maintenance and remodeling. If any of this sounds interesting please call Chief Frank Maurice (357-1080) or Bill Knapp (964-7355), or better yet come to our monthly business meeting at 6 PM on the 2nd Wednesday of each month at the Fire Station.

We hope to see you at the annual Summer BBQ on August 15, it is a fun event for the whole family. Hook up with your friends and neighbors and meet your Firefighters. We will be the ones in the baggy yellow pants with suspenders.

Thank you for your continuing support,

Frank Maurice, Chief, Westport Volunteer Fire Department

November 24, 2014

Mr. Bill Knapp, Board Chairman
Westport CSA
43026 N Hwy 1
Westport, California, 95488

RE: Westport Csa, Mendocino County, California North
Public Protection Classification: 05/5X
Effective Date: March 01, 2015

Dear Mr. Bill Knapp,

We wish to thank you Mr. Josh Azevedo and Chief Frank Maurice for your cooperation during our recent Public Protection Classification (PPC) survey. ISO has completed its analysis of the structural fire suppression delivery system provided in your community. The resulting classification is indicated above.

Enclosed is a summary of the ISO analysis of your fire suppression services. If you would like to know more about your community's PPC classification, or if you would like to learn about the potential effect of proposed changes to your fire suppression delivery system, please call us at the phone number listed below.

ISO's Public Protection Classification Program (PPC) plays an important role in the underwriting process at insurance companies. In fact, most U.S. insurers – including the largest ones – use PPC information as part of their decision-making when deciding what business to write, coverage's to offer or prices to charge for personal or commercial property insurance.

Each insurance company independently determines the premiums it charges its policyholders. The way an insurer uses ISO's information on public fire protection may depend on several things – the company's fire-loss experience, ratemaking methodology, underwriting guidelines, and its marketing strategy.

Through ongoing research and loss experience analysis, we identified additional differentiation in fire loss experience within our PPC program, which resulted in the revised classifications. We based the differing fire loss experience on the fire suppression capabilities of each community. The new classifications will improve the predictive value for insurers while benefiting both commercial and residential property owners. We've published the new classifications as "X" and "Y" – formerly the "9" and "8B" portion of the split classification, respectively. For example:

- A community currently graded as a split 6/9 classification will now be a split 6/6X classification; with the "6X" denoting what was formerly classified as "9."
- Similarly, a community currently graded as a split 6/8B classification will now be a split 6/6Y classification, the "6Y" denoting what was formerly classified as "8B."
- Communities graded with single "9" or "8B" classifications will remain intact.

PPC is important to communities and fire departments as well. Communities whose PPC improves may get lower insurance prices. PPC also provides fire departments with a valuable benchmark, and is used by many departments as a valuable tool when planning, budgeting and justifying fire protection improvements.

ISO appreciates the high level of cooperation extended by local officials during the entire PPC survey process. The community protection baseline information gathered by ISO is an essential foundation upon which determination of the relative level of fire protection is made using the Fire Suppression Rating Schedule.

The classification is a direct result of the information gathered, and is dependent on the resource levels devoted to fire protection in existence at the time of survey. Material changes in those resources that occur after the survey is completed may affect the classification. Although ISO maintains a pro-active process to keep baseline information as current as possible, in the event of changes please call us at 1-800-444-4554, option 2 to expedite the update activity.

ISO is the leading supplier of data and analytics for the property/casualty insurance industry. Most insurers use PPC classifications for underwriting and calculating premiums for residential, commercial and industrial properties. The PPC program is not intended to analyze all aspects of a comprehensive structural fire suppression delivery system program. It is not for purposes of determining compliance with any state or local law, nor is it for making loss prevention or life safety recommendations.

If you have any questions about your classification, please let us know.

Sincerely,

Dominic Santanna

Distribution of Public Protection Classification Numbers

The 2014 published countrywide distribution of communities by the Public Protection Classification number is as follows:

Assistance

The PPC program offers help to communities, fire departments and other public officials as they plan for, budget, and justify improvements. ISO is also available to assist in the understanding of the details of this evaluation.

ISO Public Protection representatives can be reached by telephone at (800) 444-4554. The technical specialists at this telephone number have access to the details of this evaluation and can effectively speak with you about your PPC questions. What's more, we can be reached via the internet at www.isomitigation.com/talk/.

We also have a website dedicated to our Community Hazard Mitigation Classification programs at www.isomitigation.com. Here, fire chiefs, building code officials, community leaders and other interested citizens can access a wealth of data describing the criteria used in evaluating how cities and towns are protecting residents from fire and other natural hazards. This website will allow you to learn more about ISO's Public Protection Classification program. The website provides important background information, insights about the PPC grading processes and technical documents. ISO is also pleased to offer Fire Chiefs Online — a special secured website with information and features that can help improve your ISO Public Protection Classification, including a list of the Needed Fire Flows for all the commercial occupancies ISO has on file for your community. Visitors to the site can download information, see statistical results and also contact ISO for assistance.

In addition, on-line access to the Fire Suppression Rating Schedule and its commentaries is available to registered customers for a fee. However, fire chiefs and community chief administrative officials are given access privileges to this information without charge.

To become a registered fire chief or community chief administrative official, register at www.isomitigation.com.

The Westport Community Church

Established in 1880, the **Westport Community Church** is pleased to offer a variety of experiences to help us all to discover ways to become more in touch with our spiritual heritage,

and we welcome all denominations to hold services here. We are a non-profit, 501(c)(3) corporation, governed by a five-member Board of Trustees (currently Millie Saunders, Steve Brigham, John Allison, Sally Grigg, and Baile Oakes), with monthly public Board meetings on the fourth Sunday of every month at 11:30AM at the Church, which is at the end of Abalone Street in Westport.

The mission of the **Westport Community Church** is “to facilitate opportunities for spiritual growth and serve the needs of the Westport community”. We are looking forward this year to continuing and expanding our Sunday morning services and Bible study program, and helping the Westport Community in whatever way we can. We do need both volunteers and donations to help with the maintenance and improvements on our Church building (including the kitchen!), which is also used for community meetings and events. If you would like to help, reserve the Church building for a meeting or special event, or have any questions or suggestions, please call Millie Saunders at 964-3030. Thank you so much for your kindness!

At our meeting on March 22, 2015, the Board of Trustees of the **Westport Community Church** adopted a formal set of Bylaws that are patterned after other local church and community organizations of our size. We also elected the following officers to serve for a one-year term:

President	Millie Saunders
Vice-President	Steve Brigham
Secretary	John Allison
Treasurer	Sally Grigg

Our new Bylaws are posted on the bulletin board inside the Church.

Local Governing Boards

Contact Information and Meeting Times

--All meetings are open to the public--

Westport Village Society (WVS)

Contact: Thad Van Bueren, President 964-7272

www.westportvillagesociety.org

Meets quarterly on the third Saturday of the month in January, April, July, and October at 9 am at the Westport Community Church. There is also an annual member meeting on the first Friday in October beginning with refreshments at 6:30 pm at the Westport Community Church.

Westport Municipal Advisory Committee (WMAC)

Contact: Thad Van Bueren, Chairperson 964-7272

Westport Markets

Yard Sale

The season kicks-off with the Westport Yard Sale the Saturday of Memorial Day weekend. Locals bring out whatever they have: things they found spring cleaning, crafts, plants, food, etc. for a market on the Headlands from 9-3.

Westport Flea Market

The Westport Flea Market is scheduled for the last Sunday of each month from June through September. Anyone is welcome to come be a vendor. Currently there is no table fee. The market runs from 11-2 on the Westport Headlands. Items for sale can include new items, used items, plants, food, etc.

Special Markets

Keep an eye out for a Winter Market/Craft Fair towards the end of November or beginning of December. This would be an indoor market to be held at the Westport Community Recreation Center. There may also be a spring market in March (location dependent upon weather).

If you are interested in being a vendor at any of these markets, or for more information please contact Sarah Mathias at westportcafleamarket@gmail.com or 962-0181. You may also connect via the Westport Markets Facebook page.
